NIGHT LIFE

FALL IN LOVE WITH THE
MUSIC, CLOSE YOUR EYES
AND FOLLOW THE AROMAS.

Mar Café has a young and modern atmosphere where you can choose your pleasure: an aperitif or an unusual after-dinner drink. You are greeted with unforgettable flavours that take you back to local traditions: Venetian “cicchetti”, select wines, party-time spritzes and revisited cocktails. And often, right here, you will be our guests at our most exclusive theme parties.
